

Box Float Contest
Veteran's Parade Sunday, November 7, 2021

The time and expense of building a traditional float makes it impractical to build at this time; but to decorate a box with a Patriotic theme is do able.

There are three age categories (and degree of difficulty):

First through Fourth Grade

Fifth through Eighth Grade

Ninth through Twelfth Grade

Each category has cash prize for

First, Second and Third Place

\$75 \$50 \$25

The box may be worn by child, pulled, pushed, carried (last year one was built on battery operated toy) limited only by your imagination.
